Basel
Switzerland
7–9 June 2017

www.chestswitzerland2017.org
Join us for the CHEST Congress 2017 in Basel and take part in this great joint congress which connects a global community in clinical chest medicine. The scientific program will feature top speakers from Europe and North America, latest topics, stimulating discussions and educational hands-on sessions.

**Scientific Program Highlights**

Focus on clinical medicine  
Hand on sessions on interventional pneumology and lung function  
Scientific abstract submission including prices for the best communications  
State of art sessions on COPD, Asthma, Interstitial lung disease, Sleep medicine, Lung cancer, Pulmonary hypertension, Cystic fibrosis, Infection, Bronchiectasis, Lung transplantation, Occupational medicine

**Date**  
Wednesday, June 7 – Friday, June 9, 2017

**Congress Venue**  
Congress Center Basel, Switzerland  
Basel is well known for its charming old town and the river Rhine. The Congress Center Basel has a superb location in the city and the airport is located only 15 minutes from the city center.
